

'The Buzz'

What's been happening at NPS?
September 2022

We have had a really busy start to the academic year. I would like to thank the teachers, TAs, Admin staff, Catering Team and our Site Manager for the energy and time they have invested in making our school the busy and special place it is.

It was wonderful that so many of you able to attend the 'Meet the teacher' meetings. I hope those of you that were unable to make it have received the powerpoint so you know what was covered.

SAILING AT MARINE LAKE, WEST KIRBY.

Y3 and Y4 were really lucky with the weather when they took to the water. A fabulous time was had by all and the opportunity to jump into the lake at the end was an enjoyable end to the day.

MILITARY STYLE EDUCATION

Y5 and Y6 developed their team building skills and resilience when they worked with the team from MSE. Although enjoyable, it was challenging for some and was wonderful to see them achieve a sense of accomplishment.

MSE will be running a holiday club in the October half term – more information to follow.

Y1 and Y2 have worked outdoors with Gemma from Camp Curiosity. They weren't so lucky with the weather but this didn't stop them from being creative, working together and having fun.

All these activities were funded by our Sports Premium money and we have lots more activities planned throughout the year.

European Languages Day

An interesting day was spent learning new languages such as French, Spanish and Russian. Thank you to Mrs Gould for her time and Mrs Amato and Miss Jones for organising a full timetable of activities.

OPEN DAY

We had a wonderful response to our open day yesterday. We felt proud to share the new foundation stage room and the rest of school. It was lovely to see both new and familiar faces on the 'show round'.

ATTENDANCE

We began a new attendance incentive at the start of the term. Y3 (Tigers) are currently winning and have already had an extra playtime as a reward.

UPCOMING DIARY DATES NEXT MONTH:
